OUR BIG WINTER Get together this year is going to be a BYO event. We've decided to do this instead of a big catered meal as feedback last year was this costs too much. Our guests said all we really want is a chance for everyone to get together. So let's do this! This will be a casual dinner with friends, not a formal seated meal. Sunday 13th August from 5pm at the kitchen. Please sign up and advise us what you're bringing before Thursday 10th at 6pm. The menu will be a surprise! We will have to coordinate this so we don't end up with 30 lots of potatoes! For example we will ask 3-4 couples to bring the nibbles, the bread rolls, some green vegies, some potatoes, different casseroles and desserts. You can be as inventive as you'd like (or not). Don't worry if you can't cook. Sign up first for bread roll or nibbles duty, or bring along store made apple pies. We just want everyone to be involved! Obviously all items will need to be prepared before 5pm and dropped off at the buffet as you arrive. Keep in mind that bench and oven space in the kitchen will be limited, so something you can cook in your van would be best. We can keep items warm until dinner time, or leave your meal in your crock pot.
